### **Our Summer Song 2023!**

Beginning July 24th-27th at 9AM, Monday - Thursday, a summer music camp for kids with singing, art time, and team building. Thursday will culminate in an evening of fellowship and a free concert for parents, family, friends, and community members presented by the students in 3<sup>rd</sup> through 5<sup>th</sup> grade. Students will need to provide their own sack lunch and bottled water for our lunch break and may bring their own games/books or team balls to play during downtime. Our team will provide music, a music folder, a pencil, and a camp shirt to be worn on the night of the concert.

**\$250 per student** – Early registration till May 31, 2023

**\$300 per student** – May 31, 2023, thru July 23, 2023

**\$325 per student** - At The Door!

We would love to enhance children's lives through music and look forward to a week of community enrichment. If you know of children who you feel would benefit from this program, would you please encourage them and their parents to register on our website here:
