# Professional Education!

CPE Credit, Art Convention, Music Convention  
It's important to keep up with your education in your field.

Attend your convention!

**IT'S TIME FOR YOU TO GO BACK TO CLASS!**

### **It's back to class for teachers**

One of the most important things you can do for yourself as a teacher is to attend your convention. It is expensive, but it's worth your investment to go and make connections in your field of studies. You learn from one another and encouraging each other is the only way to keep motivated and moving forward.

**ART** - TAEA convention is **November 10-12, 2022** in McAllen, TX. 7 to 8-hour drive from the DFW area so carpool or fly, which may be just as cheap. However, then you have to think about a rental car, however, if you split a 45min cab/uber or look into a hotel shuttle ride from the airport, that's always cheaper and sometimes shuttles are free. Then you have to think about a hotel stay, buddy up with district teachers, and split the cost of a hotel room. You can't forget the cost of food, eating out every meal is very costly so think about packing some snacks to take with you to eat while you're in sessions. There's always a way to cut costs and you're there to learn so take advantage of being away to get all that you can from your time with seasoned art teachers that have walked this journey for years.

**Art Region 11 Representative is Dallas Williams**, log in for more information: [Texas Art Education Association - Regions : Region 11 \(taea.org\)](https://taea.org/Regions/Region-11)

If you're not crazy about Facebook, try just joining our supportive Children's Hono Choir group. It's a safe group to share and no one will judge you when you post. Trust me when I say, we only encourage in our group: [The Children's Honor Choir | Facebook](https://www.facebook.com/childrenshonorchoir)

### **Notable news to teachers**

**FREE STUFF!!!** Check out this place in Ft. Worth, especially ART TEACHERS. Free stuff for everyone and you can find old lost music. It was a fun place to see.
