What's working for you?

So many times, we keep trying to find a new, fantastic lesson for our students when we may have taught a great one years ago. I encourage you to go back, go back to old lessons, and find that one in February that you "LOVED" and your previous students loved as well. There's nothing wrong with looking back and going back to what worked at one time. If you're a new teacher, make a connection with a well-seasoned music teacher and pick their brain; beg, steal and borrow their old music lesson.

We would love to hear from you, what's working in your classroom!?!?!

You are cordially invited to:

The Children's Honor Choir is hosting its 8th annual Honor Choir Clinic and Concert on April 6, 2024, at Glen Rose High School, Glen Rose ISD. TCHC is an organization designed to enhance children's love of music as well as educate and foster future music educators. We would love for you to bring even the smallest group of singers to join us. If you have 6wks to rehearse a group from December to April, consider the opportunity this event will provide for your choir members. As it stands, the day will culminate in a concert that evening at 5:00 p.m. for parents, family, friends, and community members.

We would love for you to bring your 4th - 6th graders to sing with us!!

Notable news to teachers

Texas Choral Directors Association was founded in 1955. The first two **TCDA** Conventions were held in Dallas, and all Conventions since have been in San Antonio. There were no elected officers until 1957; the first two Boards served for only one year. Since 1957, Boards have served two-year terms. TCDA thanks former Executive Director Marvin J Pollard for his help in gathering information from TCDA's early years.

Our very own Heidi Bargsley is an Elementary VP nominee, please join me and vote for Heidi, she is a huge support and advocate for the Elem music teacher and choir director. [Membership Plans & Pricing \(tcda.net\)](#)
