Happy Mother's Day!

To all the teachers out there reading our newsletter.

Keep the faith, you touch small lives!

North Tx Fine Arts (NTFA) Conference

Teachers, mark your calendars for our first annual summer North TX Fine Arts conference held on July 13 & 14, 2022, in the mid-cities area, with corporate clinicians from Macie Publishing Company, Dr. Ran Whitley & Rina. Dr. Green with Rhythm Bee will be present, and Jill with TX Pottery will clinic a kiln safety and procedure session for art teachers. Other clinicians are Heidi Bargsley from Azle ISD presenting 3rd - 6th grade reading material provided by JW Pepper, Becky Puckett from Keller ISD presenting folk dancing, and "From Band Director to Elementary Music Teacher". A retired music teacher, Becky Compton will present "Jack and The Beanstalk" an easy theatre classroom presentation for the 1st year teacher. Jill with Texas Pottery will teach a kiln session and after 30 years of service, Cheri Baxter will share her art education with interested art teachers at the conference.

Fine Arts sessions will be offered for grade levels from K-6th grade in Music, Art, and Theatre, we're covering the FINE ARTS at this conference! In addition to offering Fine Arts sessions simultaneously, you'll be able to shop with some of our vendors from the DFW area and some TMEA vendors as well!
