Happy New Year!

.....

Back To School

Well, it's back to school for almost everyone in the area, for the few that have this week, take advantage of the time and plan in the comfort of your own home. Spring is always hard because it feels like an eternity till Spring Break, however, don't forget TMEA!!

Held annually, the **TMEA** Clinic/Convention provides unparalleled opportunities for professional development for current and future music educators at every level and discipline. Each TMEA Division will host a diverse program of clinics to ensure every member has multiple offerings to foster their professional advancement and to help them in their personal support of all students through music education. Rooted in our commitment to excellence in music education, our convention will include performances by ensembles at every grade level and will feature the rehearsals and performances of our TMEA All-State ensembles. Our convention exhibit hall is a key component of our event, as our partners in the music industry are committed to offering competitive prices and services to all attendees. Don't forget to renew your membership if you haven't already done so: [Join | TMEA](#)

The Children's Honor Choir FB page!

If you're like me and not crazy about Facebook, let me ask that you try just joining our Children's Honor Choir group. It's a safe group to share; no one will judge you when you post. Trust me when I say, we only encourage in our group:

Notable news to teachers

If you have never heard of Dr. Jean, check her out. She's an amazing teacher and has several resources on her website. Dr. Jean Feldman will also be sharing an hour of her "UNPLUGGED" lessons at our July 28, 2023, NTFA Conference in Keller, TX. Stay tuned for more information and when registration will open!
