March Newsletter

We would love to hear from you!

.....

How was your TMEA week?

This year TMEA was very full of sharing my time with our region in Becky Puckett's session and our region meeting. TMEA is bringing back grants, \$800 so be sure to fill out the paperwork so you can earn a grant for your classroom.

What are you doing in your classroom?

There's nothing wrong with looking back and going back to what worked at one time. If you're a new teacher, make a connection with a well-seasoned music teacher and pick their brain; beg, steal and borrow an old music lesson.

We would love to hear from you, what's working in your classroom!?!?!

You are cordially invited to:

The Children's Honor Choir is hosting their annual Honor Choir Clinic and Concert on April 5, 2025, at Glen Rose High School, Glen Rose ISD. TCHC is an organization designed to enhance children's love of music as well as educate and foster future music educators. We would love for you to bring even the smallest group of singers to join us. If you have 6wks to rehearse a group from December to April, consider the opportunity this event will provide for your choir members. As it stands, the day will culminate in a concert that evening at 5:00 p.m. for parents, family, friends, and community members.

We would love for you to bring your 4th - 6th graders to sing with us!!
